

**PART 2: Get In Step**

**DATE: 07-23-2023**

**START**

Daily we align ourselves to our values. We strive to stay aligned to our family values, the vision of our organizations, and with our faith. Staying aligned is more than just a good principle. It helps guide our actions and how we live our lives.

- What are the important values in your life that you try to stay aligned to?
- What makes it difficult to stay aligned with your values?

**READ**

[Galatians 5:22-25](#) (NIV)

“But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law. Those who belong to Christ Jesus have crucified the flesh with its passions and desires. Since we live by the Spirit, let us keep in step with the Spirit.”

**THINK**

When we stay in step with God we bring Him glory and make it evident to others who we follow. Staying in step is an intentional act of faith, surrender, and obedience.

- How can you stay in step with God?
- What is God calling you to surrender in your life?
- Where have you gotten out of step with God and how has that affected those around you?

**PRAY**

“God, help me to stay in step with you so that my life brings your glory and points others to you.”

**ACT**

This week, examine your life and discern where you might have gotten out of step with God. Take the necessary steps to get back in step.
