

**PART 4: Learn Contentment****DATE: 05-26-2024****START**

Throughout this series, we have learned practical ways to approach and view our wealth. We have heard honest stories from others and looked at what God has to say about money and who owns it.

- What is a key takeaway from this series that you can put into action?
- How can you continue to learn about the subject of money in relation to your faith?

**READ**

[1 Timothy 6:6-7](#)

“But godliness with contentment is great gain. For we brought nothing into the world, and we can take nothing out of it.”

**THINK**

Contentment fights against our love of money, our love of stuff, and our love of more. Contentment is fostered as we continually place God as master and owner of all that we have.

- Where in your life do you struggle with contentment?
- What area have you had to learn contentment?
- How can you continue to foster contentment in your life?

**PRAY**

Jesus, help me to see that you are providing in ways that I am unaware of and teach me to be content in what I have.

**ACT**

This week, think of the area in your life where you are not content. Discern what is causing that discontent to grow in that area.
