

Easter 2024

DATE: 03-31-2024

START

We all have a spiritual scale. When Nicodemus came to meet Jesus at night he was determined to figure out where Jesus fit on his spiritual scale. On our scale, we have people high on the scale closer to God and we have people lower on the scale that are further from God.

- How often do you find yourself putting people on a spiritual scale?
- Where would you place yourself on your spiritual scale?
- Where would you be placed on someone else's scale?

READ

[John 3:16-17](#)

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him."

THINK

After 3 years of ministry, performing miracles, and challenging the religious leaders Jesus is crucified. His body is placed in a tomb by Joseph of Arimathea and Nicodemus. Two men who once doubted. Two men who approached Jesus in secret. Two men whose lives were changed by the love Jesus showed them.

- How has your life changed because of the love of Jesus?
- Who do you need to love on your spiritual scale to point them to Jesus?

PRAY

Jesus, help me to see everyone for who they are, a person created in your image. Help me not to place people on a spiritual scale and help me see everyone's need for you.

ACT

This week, as you celebrate Jesus' defeating death, share with someone about what Jesus has done in your life. No matter where they are on a spiritual scale.
