PART 2: My Impossible. God's Possible   DATE: 05-01-2022

START

It can be easy to focus on the bad in life. Whether it's something bad going on personally, locally, or globally. There is something about the bad that induces fear, anxiety, and stress. As we dwell on the bad going on, the obvious question of "can it get worse?" is asked.

- What do you worry about?
- Do you tend to think positively or negatively?
- When you get caught in the loop of asking, "can it get any worse?" what do you do?

READ

Esther 4:14 (NIV)
"For if you remain silent at this time, relief and deliverance for the Jews will arise from another place, but you and your father's family will perish. And who knows but that you have come to your royal position for such a time as this?"

THINK

We can face situations in life that are impossible for us. The odds can be stacked against us. The obstacles can be vast. We might not have the strength, the mentality, or the motivation to overcome certain situations. But with God all things are possible. Our impossible is always God's possible.

- When have you encountered something impossible?
- What were you feeling when faced with the impossible?
- How did or how is God getting you through your impossible?

While the impossible can loom over us like a dark cloud, we can have hope knowing God can do the possible. Perhaps, God has you in a situation to help someone out with their impossible. Perhaps, God has been preparing you to trust in Him during your impossible.

- How can God us your impossible to point others to Him?
- Who has God put in your life that you can help?
- How can you continue to partner with God to make a difference?

PRAY

"God, when the impossible is looming over me, assure me that everything is possible for you. Help me to be aware of those that might need my help."

ACT

This week, think of the people in your life. Who is God calling you to help during their moment of impossibility?
