

PART 2: Who's Your Owner**DATE: 05-12-2024****START**

When thinking about God and money, we must ask ourselves, "Who is your master?" The answer will reveal who we are serving, and how our heart is being formed. We must also ask, "Who is the owner?" When we know the answer, it puts a new perspective on what we own.

- Who is the owner of your money?
- What prevents you from seeing God as the owner?

READ[Luke 12:15](#)

Then he said to them, "Watch out! Be on your guard against all kinds of greed; life does not consist in an abundance of possessions."

THINK

When it comes down to what we have there is a difference between stewardship and ownership. God owns everything and we are called to be stewards of what he owns.

- What do you think it means to be rich towards God?
- How can you exercise good stewardship over what God has given you?
- How can good stewardship protect us from greed?

PRAY

Jesus, help me to recognize everything I have is owned by you, and you have entrusted me to steward it well. Give me the wisdom to steward it to further your kingdom.

ACT

This week, take a quick inventory of what you have and think about how you can use it for God's purposes and His kingdom
