#### THINK

- The word "bless" is used in many different ways in our culture today, such as in phrases like #blessed, "God bless you," and when blessing a meal. How do you use this word in your daily life?
- The term "bless" literally means divine favor or grace. Think about each aspect of the priestly blessing found in Numbers 6: grace, protection, presence, smile, and peace.
- No family is perfect, and the families depicted in the Bible show us how broken and messy family dynamics can be. Isaac and Rebekah's family was no exception. What was your family like while you were growing up? What steps are you taking now to improve your family relationships?
- Isaac refused to give Esau his blessing. What emotional and spiritual impact do you think that had on Esau's life?
