

PART 2: A Promise to Rescue

DATE: 09-19-2021

**START**

Whether you feel you have grown up, are currently growing up, or somewhere in between we have had an idea of what you want to be when you grow up. Some of us have achieved that, are achieving that, or we decided to take a different path for some reason or another. The better question we can ask though, is what impact do we want to have in the one life we have?

- What did you want to be when you grew up? Or what do you want to be when you grow up?
- What impact do you hope to have in your life?
- How are you making an impact now?

**READ**

[Exodus 3:14](#) (NIV)

God said to Moses, "I am who I am. This is what you are to say to the Israelites: 'I am has sent me to you.'"

**THINK**

Moses isn't exactly excited about the idea of going back to Egypt. He is a man who has been on the run from Egypt. Moses gives God a lot of excuses and points out His inadequacies that prevent Him from being the person to free the Israelites from Egypt. God knows Moses can't do it by himself which is why God promises to be with Him.

- What have you or do you need to be rescued from?
- What excuses have you given to God?
- How can God's promises of being with you always help you make an impact?

God will rescue you by using you to rescue. God desires to partner with us to help rescue others. In order to do that, we often have to revisit what we have been rescued from. What God has done in our lives points to the fact that we can't rescue ourselves, but God can.

- How can God use what He has done in your life to rescue other people?
- How can you be a part of what God is doing?

**PRAY**

"God thank you for rescuing me. Thank you for your promise of always being with me. Let be open to how I can make an impact with my life."

**ACT**

Who in your life needs hope? Who in your life needs to know the value that God has for them? This week, take a step to offer hope and love to someone in need of rescue by pointing them to Jesus.
