# A NOTE FROM OUR LEAD PASTOR

2021 was such an interesting year for us, with so many twists and turns. Through it all, I kept hearing God simply say: "Chris, Do you trust me? Well then, follow me." Over and over again, God proved to be so faithful. Throughout this year, God continued to show up and show off in ways that left me overflowing with hope.

All of our churches were beacons of light illuminating every local community. Countless people stepped into a physical location or connected online, where hope was extended every weekend. Kids' and students' faith was supercharged as team members poured into them. We gave away mattresses to those in need, and we offered assistance to people who lost everything. Christmas gifts were purchased and given away to children who needed to know that they were loved. And so many people stepped up by leveraging their time and resources to further the mission of the church.

Please know I deeply appreciate how you placed love into action. Thank you for loving people by serving people to Jesus. Thank you for continuing to be the church every where you go. And thank you for your continued generosity. God is definitely on the move. And I can't wait to see what He has in store for 2022!!

It's an honor to be your pastor and be on this epic journey with all of you.

Better Together,
