

**PART 1: reIGNITE**

**DATE: 01-02-2022**

## START

As we think about the past 2 years there are so many words that come to mind. Words that might trigger you or that you just choose to ignore now. Words like unprecedented, essential, and quarantine. Words that have been around for years, but took on new meaning.

- What words have taken on new meaning to you over the past 2 years?
- How can the words we use shape us?
- What words do you hope will shape you this upcoming year?

## READ

[Romans 12:11](#) (NIV)

“Never be lacking in zeal, but keep your spiritual fervor, serving the Lord.”

## THINK

Wondering about what is to come during uncertainty can be positive or negative. When our wondering can lead us to wandering. While it is fun to wander around on a hike, when we just wander through life we can lose focus on what needs to be done. Wandering spiritually can lead us to not being fully focused on God and where we need to serve.

- What have you found yourself wondering about in your faith journey over the past year?
- How has your wondering led to spiritual wandering?
- What do you need to help you refocus on what's ahead?

The church isn't about a building, but the church is about gathering. While there are still some concerns about gathering amongst people we have to understand that there is no substitute for being gathered in person as the church. It brings encouragement and ignites hope within us as we continue to pursue God together as a community.

- Where do you need to reignite in your faith journey?
- How can your group help encourage you?
- Where do you need to serve this year?

## PRAY

“God me not lack in zeal and maintain my spiritual fervor so I am able to continue to serve you and the people that you have placed in my life.”

## ACT

This week, take a step into serving. As we continue to serve we continue to be the hands and feet of Jesus. If you are currently serving, take a step to invite someone along to serve with you.
