PART 3: A Savior is Revealed

DATE: 12-12-2021

START

As we grow older the assumption is we will grow wiser. We will gain wisdom from our experiences and the things we learn. However, that is not always the case. The course of growing in wisdom is not always smooth. It is often a roller coaster as we gain wisdom and put it into practice.

- How have you grown in wisdom over the years?
- Has your wisdom always grown as you have gotten older?
- How has God shaped your growth in wisdom as you have learned more about who God is?

READ

[Luke 1:25](#) (NIV)

“The Lord has done this for me,” she said. “In these days he has shown his favor and taken away my disgrace among the people.”

THINK

As Zechariah was unable to speak, he was forced to live in silence. We have to realize what we are going through, might be for us. There are times when we need to sit in silence and silence different voices in our life so we are able to focus on the voice of God.

- How can what you are going through be used by God to shape you?
- What do you need to silence in your life in order to better focus on God’s voice?
- What steps can you take to better process what God is teaching you?

What we go through might be for us, and what we go through might be for someone else. This isn’t relegated to the hardships in life, but also the joys of life. The good times and blessings we receive also might be for someone who needs to hear a message of hope.

- How has what you have gone through helped others?
- How can you intentionally share the hardships and the joys with people in your life to help them?

PRAY

“God help be silent and attentive to what you are doing in my life. Help it to shape me and to see how it can bless others around me.”

ACT

This week, make an intentional effort to bless someone by sharing with them what God is doing in your life.
